APPLICATIONS DES CONNAISSANCES CANADA

KT Canada Presents:

Antonia Stang

Assistant Professor, University of Calgary, Departments of Pediatrics and Community Health Sciences

The Development of Quality Indicators for High Acuity Pediatric Conditions: Challenges in the Translation of Knowledge into Performance

Thursday, April 12, 2012 1400-1500 ET

Learning Objectives:

- To review methods for involving stakeholders in the indicator development process.
- To discuss the application of GRADE (the Grading of Recommendations Assessment, Development and Evaluation) in indicator development and selection.
- To describe the challenges in developing and testing broadly applicable performance measures for high impact, relatively low frequency, conditions.

Live/Archived Webcasts: <http://webcast.otn.ca> Session ID 17323141

Each session includes a question and answer period (15 minutes per 1 hour session)

Evaluations and Slides: www.ktcanada.net (slides are posted after the session)
