Research Fellow, University of Toronto

Optimizing Audit and Feedback to Improve Quality of Care: What we know and where we need to go...

Thursday, September 12, 2013 1200-1300 ET

Learning Objectives:

- To introduce relevant theory that can explain how audit and feedback may work to improve performance.
- To examine variability in known effectiveness of audit and feedback on health care quality.
- To explore opportunities for optimizing the effectiveness of audit and feedback in health care.

Live/Archived Webcasts: <http://webcast.otn.ca> Session ID: 24329679

Each session includes a question and answer period (15 minutes per 1 hour session)

Evaluations and Slides: www.ktcanada.net (slides are posted after the session)

TO REGISTER:

This session is offered by Telehealth (videoconference) from St. Michael's Hospital in Toronto.
*** Registration information is for sites participating by videoconference only. Webcast participants do not need to register ***

OTN sites: Please reserve your studio and ask your coordinators to email pykak@smh.ca.

OTN Telemedicine coordinators can also self-schedule by clicking on the following link:

<https://schedule.otn.ca/tsm/portal/nonclinical/details.do?request.requestId=24329679>

Non-OTN sites: please contact Resolve: info@resolvecollaboration.com or 1-888-777-7965, session # 16314. Please ask them to test your connection prior to the call.

Site registration deadline is September 5, 2013, 5 PM ET. After the deadline, individuals can participate by webcast only. Individuals viewing by webcast do not need to register.

Telemedicine broadcasting made possible by SACYHN (Southern Alberta Child and Youth Health Network)
