KT Canada Presents:

Jayna Holroyd-Leduc

Associate Professor, Departments of Medicine and Community Health Sciences, University of Calgary

Evidence-based self-management: translation of knowledge into a self-management tool for patients with urinary incontinence

Thursday, May 12, 2011

1400-1500 ET

Learning Objectives:

- To explain the concept of self-management
- To discuss the value of evidence-based self-management tools for patients
- To identify that knowledge can be translated for direct use by patients

Live/Archived Webcasts: <http://webcast.otn.ca> Session ID 12050944

Evaluations and Slides: www.ktcanada.net

To register:

This session is offered by Telehealth (videoconference) from St. Michael's Hospital in Toronto

OTN sites: Please reserve your studio and ask your coordinators to email kinachm@smh.ca. OTN Telemedicine coordinators can also self-schedule by clicking on the following link: <https://schedule.otn.ca/tsm/portal/nonclinical/details.do?request.requestId=12050944>

Non-OTN sites: please contact Resolve: info@resolvecollaboration.com or 1-888-777-7965, session # 8841. Please ask them to test your connection prior to the call.

Site registration deadline is May 5, 2011, 5 PM ET. After the deadline, individuals can participate by webcast only. Individuals viewing by webcast do not need to register.

Telemedicine broadcasting made possible by SACYHN (Southern Alberta Child and Youth Health Network)
