KT Canada Presents:

Susan Jaglal¹ and Veronique Boscart²

1. Vice Chair Research and Professor, Department of Physical Therapy, University of Toronto, Senior Scientist, Toronto Rehabilitation Institute 2. Post Doctoral Fellow, Toronto Rehabilitation Institute

KT Research at Toronto Rehabilitation Institute: Using Psychological Theory to Improve the Implementation of a Hand Hygiene Intervention

Thursday, March 10, 2011

1200-1300 ET

Learning Objectives:

- To provide a brief overview of KT research projects at the Toronto Rehabilitation Institute
- To present results of a study using a theory-based approach to inform the implementation of a behaviour change intervention to improve hand hygiene
- To obtain feedback on how to improve intervention based on theory-based approach
