## **KT Canada Presents: Dr. Michel Labrecque**

**Dr. Michel Labrecque MD PhD** (epidemiology) is a full-professor from the Dept. of Family and Emergency Medicine at Laval University, Quebec City, Canada. He is a clinician researcher at the CHU de Québec-Université Laval Research Centre and a member of KT Canada.

### **Title:**

Evaluation of behavior change interventions to increase the use of pneumatic otoscopy in family medicine: a pilot randomized trial

### **Learning Objectives:**

- To understand the importance of conducting pilot study of complex behavior change intervention trial
- To highlight the importance of long term follow-up in behavior change intervention
- To discuss the lessons learned and the methodological challenges related to a larger trial

### **TO REGISTER:**

This session is offered by WEBEX from St. Michael's Hospital in Toronto. All registration requests must be sent to Meghan Storey: [storeym@smh.ca](mailto:storeym@smh.ca) by Wednesday, October 7th at 5:00 PM ET.

To register a site: please identify one person who will be in attendance and provide their email address to [Meghan Storey](mailto:Meghan.Storey). To register as an individual; please email [Meghan Storey](mailto:Meghan.Storey).

PLEASE NOTE THAT EVERYONE MUST REGISTER TO ATTEND AS YOU NEED TO BE INVITED INTO THE WEBEX SESSION

Technical requirements: You need a computer with Google Chrome and a telephone or computer microphone or headset.

Accreditation: Royal College of Physicians and Surgeons of Canada – Section 1: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, approved by Continuing Professional Development, Faculty of Medicine, University of Toronto up to a maximum of 1 hour
