KT Canada National Seminar Series

KT Canada Presents: **David Johnson, PhD**

Title:

An update on Alberta's health system KT experiment: Alberta Health Services Strategic Clinical Networks

Learning objectives:

- Hear about some AHS SCN success stories
- Learn about on-going challenges
- Hear about potential future opportunities and threats

Dr. David Johnson is a Senior Medical Director for the Alberta Health Services Maternal, Neonatal, Child and Youth Strategic Clinical Network; a pediatric emergency physician and medical toxicologist; and a Professor of Pediatrics, Emergency Medicine, and Physiology and Pharmacology in the Cummings School of Medicine, University of Calgary. His research interests are primarily focused on the management of common childhood respiratory emergencies, and ensuring primary health care professionals utilize 'best evidence' in managing these diseases.
