

KT Canada Scientific Meeting Agenda

Theme: Developing and evaluating knowledge translation interventions in a complex health system

****Please note that all times listed are in Eastern Standard Time****

Day 1 – Wednesday, May 5th, 2021

Time	Session	Format
12:00 - 12:15pm (15 mins)	Welcome and Introductions <i>Dr. Sharon Straus, University of Toronto</i>	Live Zoom
12:15 – 12:45pm (30 mins)	Opening Lecture: “CIHR @ 20: Charting a path to a healthier future” <i>Dr. Michael Strong, Canadian Institutes of Health Research</i> <i>Introduced by Dr. Sharon Straus, University of Toronto</i>	Pre-recorded Zoom
12:45 – 1:00pm (15 mins)	Q&A	Live Zoom
1:00 – 1:10pm (10 mins)	Break	
1:10 – 2:10pm (1 hr)	Podium Presentations, Session 1 1. Dr. Clayon Hamilton - Item reduction, reliability, and validation of the Patient Engagement In Research Scale (PEIRS) 2. Dr. Jasmin Ma - Combining patient perspectives and the Behaviour Change Wheel to develop knowledge translation interventions 3. Jessica Reszel - The experience of using an integrated knowledge translation approach to develop and implement an audit and feedback system in Ontario maternal-newborn hospitals 4. Johnathan Tam - Lessons learned from engaging patient partners in the development of an e-health intervention designed to support self-care	For each: 10-min pre-recorded presentation, 5 mins live Q&A
2:10 – 2:20pm (10 mins)	Break	
2:20 – 3:20pm (1 hour)	Poster presenters – Structured discussions	Zoom – Breakout rooms

3:20 – 3:30pm (10 mins)	Conclusion day 1	
----------------------------	------------------	--

Day 1 total time: 3.5 hours

Day 2 – Thurs, May 6th, 2021

Time	Session	Format
11:00 – 11:10am (10 mins)	Introduction: Day 2	Live Zoom
11:10 – 12:40pm (90 mins)	Workshop: “Advancing IKT and implementation science: An interactive workshop comparing IKT with engaged scholarship, Mode 2 research, co-production, and participatory research” <i>Dr. Tram Nguyen – Ottawa Hospital Research Institute</i>	Live Zoom
12:40 – 12:50pm (10 mins)	Break	
12:50 – 1:20pm (30 mins)	Panel Discussion, “Ethics Considerations in KT Science and Practice” <i>Professor Nicolas Fernandez, Patient Partner, Université de Montréal</i> <i>Jenny Leese, University of British Columbia</i> <i>Claire Ludwig, Patient Partner, University of Ottawa</i> <i>Samantha Bellefeuille, Patient Partner</i>	Live panel discussion via Zoom
1:20 – 1:35pm (15 mins)	Q&A	Live Q&A via Zoom
1:35 – 1:45pm (10 mins)	Break	
1:45 – 2:30pm (45 mins)	Podium Presentations, Session 2 1. Dr. Celia Laur: Implementer and Researcher Perspectives on Sustaining, Spreading and Scaling up, Quality Improvement Interventions 2. Stephanie Brooks: Strategies for Knowledge Translation Intermediaries to Support and Contribute to Learning Health Systems 3. Dr. Meghan Sebastianski: Knowledge Synthesis Projects and Knowledge Translation Considerations: Patterns and Trends in a Specialized Research Centre	For each: 10-min pre-recorded presentation, 5 mins live Q&A
2:30 – 2:40pm	Break	

(10 mins)		
2:40 – 3:10pm (30 mins)	Plenary, “Why do implementation processes fail?” <i>Dr. Carl May, London School of Hygiene and Tropical Medicine</i>	Pre-recorded presentation
3:10 – 3:25pm (15 mins)	Q&A	Live Q&A via Zoom
3:25 – 3:30pm (5 mins)	Conclusion of the day	

Day 2 total time: 4.5 hours

Day 3 – Friday, May 7th, 2021

Time	Session	Format
12:00 – 12:10pm (10 mins)	Introduction: Day 3 <i>Dr. Sharon Straus – University of Toronto</i>	Live Zoom
12:10 – 12:40pm (30 mins)	Plenary, “Reflecting on KT for a complex health care system in a time of pandemic” <i>Dr. France Légaré, Université Laval</i>	Pre-recorded Zoom
12:40 – 12:55pm (15 mins)	Q&A	Live Zoom
12:55 – 1:05pm (10 mins)	Break	
1:05 – 2:05pm (1 hour)	Poster presenters – Structured discussions	Zoom – Breakout rooms
2:05 – 2:15pm (10 mins)	Break	
2:15 – 2:45pm (30 mins)	Panel Discussion, “SGBA+ Considerations in KT Science and Practice” <i>Moderated by Dr. France Légaré, Université Laval</i> <i>Dr. Justin Presseau, Ottawa Hospital Research Institute</i> <i>Dr. Nicole Etherington, Ottawa Hospital Research Institute</i> <i>Dr. Ruth Ndjaboué, Université Laval</i>	Live Zoom
2:45 – 3:00pm (15 mins)	Q&A	Live Zoom
3:00 – 3:10pm (10 mins)	Break	

<p>3:10 – 4:10pm (1 hour)</p>	<p>Podium Presentations, Session 3</p> <ol style="list-style-type: none"> 1. Danielle Kasperavicius and Dr. Justin Presseau: Mobilizing an Intersectional Lens in KT: Enhancing the Application of KT Models, Theories, and Frameworks 2. Dr. Nadia Minian: A Cluster Randomized Trial Testing Two Knowledge Strategies to Facilitate the Integration of Mood Management into Smoking Cessation Programming in Primary Healthcare Systems 3. Karen Spithoff and Kate Sanderson: Implementation of a Policy to Improve the Safety of Procedural Sedation: A Barrier and Facilitator Assessment 4. Dr. Christine Cassidy: Implementation Strategies to Facilitate the Uptake of Practice Guidelines in Nursing: A Systematic Review 	<p>For each: 10-min pre-recorded presentation, 5 mins live Q&A</p>
<p>4:10 – 4:25pm (15 mins)</p>	<p>Wrap up <i>Dr. Sharon Straus</i></p>	

Day 3 total time: 4 hours 25 mins
